

TESTIMONIALS

"Our studio has used Event Photos since we opened three years ago and have been very happy with not only our students' photos but also with our Recital Videos and Website. We have also had wonderful artwork and quick turnaround for our Promotional Posters featuring our Leads. The photographers have a good rapport with our families which makes students comfortable getting photos taken and we always have had great results that create wonderful memories!"

FUNDRAISERS

We gladly offer the studio owner a chance to make extra profits directly for their studio by hosting a "PICTURE DAY", and studio proceeds from a successful photo day are often enough to cover a good chunk of hall rental or other outlays from a studios finances that happen around recital time. Depending on a number of factors, we offer commissions that are paid directly to the studio based on number of sittings and income generated.

Some studio owners do not care about getting a commission and see picture day only as a service to parents, in which case we can often pass the savings on to the parents and offer adjusted prices for their student's portraits.

Packages & Pricing

Pricing and packages are probably the most asked questions by new clients- and the answer is always good for you!

Packages

We have standard packages that we recommend, but we will customize packages for each dance school. We offer family packages (that include a number of different size photographs and class photo) as well as fun items like mugs and key chains that the kids love!

Pricing

We utilize an online system for most schools. This system works very well and has become the preferred choice among dance school owners. We work with the school to come up with the best prices possible. Pricing is based on a number of factors that we would be happy to discuss with you. Pricing is always reasonable, flexible and packages always start around \$12.00!

Dance Competition and Recital Photography

We can help with your event pictures and video too!

Products

Event Photos always provides stunning dance photographs. We offer a variety of sizes from wallets to large portraits. But as times change, more and more fun items are offered too. So statuettes, plaques, coffee mugs, mouse pads, key chains, photo magnets, and more are all items that your clients can choose from.
